# ABOUT KAPHS

**KAPHS** is a Swiss Company founded in 2003 by Mr. Anil Sareen.

Our family-owned operation prides itself in specializing in the engineering, manufacturing and supply of high-end Metal & Glass products for Façade application as well as Interior Design purposes.

With a focus on the Middle-Eastern market and its requirements, **KAPHS** has built a diversified offering of Architectural Products in line with the region's evolving demands and technology.

Thanks to our extensive experience working with Architects, Interior Designers and Contractors, we aim to always offer our customers the most effective and appropriate solution to their needs.

**KAPHS** provides In-House Engineering throughout the life of a project until completion to ensure the utmost satisfaction to our clients.

Our trusted partnerships with European Manufacturers, whom we have represented for over two decades in the Middle-Eastern region has enabled us to accomplish a remarkable portfolio of landmark projects across the Gulf countries.

As a result of our local fabrication abilities, **KAPHS** offers ready-to-install material to support our customers.

# DECORATIVE GLASS

## Product Description

Our **Decorative Glass** collection offers a sophisticated range of design possibilities, incorporating the finest materials and innovative techniques.

-**Laminated Metal Mesh Glass** combines the strength of glass with the industrial elegance of metal meshes. This option is ideal for creating striking partitions and feature walls, adding a touch of modernity and depth to your design.

-**Cast Acrylic Mesh** offers a lightweight yet durable alternative, featuring embedded meshes within acrylic. This option provides a dynamic interplay of light and texture, perfect for applications where visual impact and light diffusion are essential.

-**Engraved Glass** showcases intricate designs and patterns etched into the surface, offering a timeless and elegant option for decorative panels, doors, and windows. The precision of the engraving process allows for highly detailed and customizable designs.

-**Cast Glass** is crafted through a process of molding and shaping, resulting in unique textures and patterns that add a sculptural quality to any application. Ideal for artistic installations, decorative panels, and architectural features, Cast Glass brings a tactile, three-dimensional element to your design.

## Laminated Mesh Glass Applications

**Laminated Metal Mesh Glass** is a versatile and stylish choice for enhancing interior spaces. Its unique combination of glass and embedded metal mesh offers both aesthetic and functional benefits across various internal applications:

**-Interior Partitions:** Creates sophisticated and modern room dividers that maintain an open feel while providing privacy and light diffusion.

**-Office Enclosures:** Adds a contemporary touch to office spaces, allowing for private work areas without compromising on natural light and openness.

**-Decorative Wall Panels:** Enhances the visual appeal of walls in lobbies, hallways, or conference rooms, turning them into striking design features.

**-Shower Enclosures:** Provides a sleek, modern alternative to traditional glass shower doors, combining style with durability and easy maintenance.

**-Lighting Features:** Acts as a decorative element in light fixtures, diffusing light beautifully while adding an industrial-chic aesthetic.

These applications highlight the versatility of KAPHS's laminated metal mesh glass, offering a perfect balance of style, function, and durability for interior spaces.

## Cast Acrylic Mesh Applications

**Cast Acrylic Mesh**, is a premium material that seamlessly blends acrylic with embedded metallic or textile mesh, creating a dynamic and visually captivating surface. This innovative material is designed for a range of luxurious and high-impact interior applications:

**-Interior Partitions:** Adds a sophisticated, modern element to office spaces, retail environments, and luxury residences, offering both privacy and visual intrigue.

**-Decorative Wall Panels:** Transforms plain walls into works of art, perfect for reception areas, feature walls, or hotel lobbies.

**-Furniture Design:** Ideal for creating custom furniture pieces like tables, shelves, or cabinet doors that stand out as statement pieces.

**-Lighting Fixtures:** Enhances lighting designs by diffusing light in unique ways, adding a decorative and functional element to any space.

**-Retail Displays:** Elevates the aesthetic of retail environments, making products stand out with a high-end, contemporary look.

**-Bar and Countertops:** Offers a luxurious and durable surface option for bars, reception desks, and kitchen islands, combining practicality with eye-catching design.
